## GENERAL INFORMATION AND REGULATIONS

Companies failed to pay for their participation at the exhibition will not be allowed to their stands.

Services applied for in the days of stand supply should be paid on site in cash.

Prolongation of the working hours during the days of stand construction, stand arrangement and stand dismantling should be allowed based on a written request. The Exhibitor should pay a fee for each booth for each started hour:

- 70 EUR per hour excluding VAT if the request is received until 2.00 pm
- 140 EUR per hour excluding VAT if the request is received after 2.00 pm
- 210 EUR per hour excluding VAT if the request is for the days of stand arrangement

Staying at the stands after the working hours is not permitted.

During the exhibition supplying the stands with goods is allowed only through the glass doors of Hall 2 (entrance 2a) and Hall 3 (entrance 3b) - on 25th-26th September from 9.00 am to 6.00 pm and on 27th September from 9.00 am to 4.30 pm, or through the main entrance of Inter Expo Center during the opening hours.

The cleaning of the stands will be performed every morning between 9.00 am and 10.00 am and includes only carpets with vacuum cleaner.

The exhibitors will have to take personal care of the cleaning of exhibits, furnishing and displaying modules. Stand that were not built by Inter Expo Center will be cleaned after written request and additional payment.

Connection to the power supply without agreement with the electrical technicians is not permitted.

Drilling and welding activities on the constructions in the hall are not permitted.

The electrical power to the stands will be shut off at 6.30 pm on 25th and 26th of September, and at 5.30 pm on 27th of September.

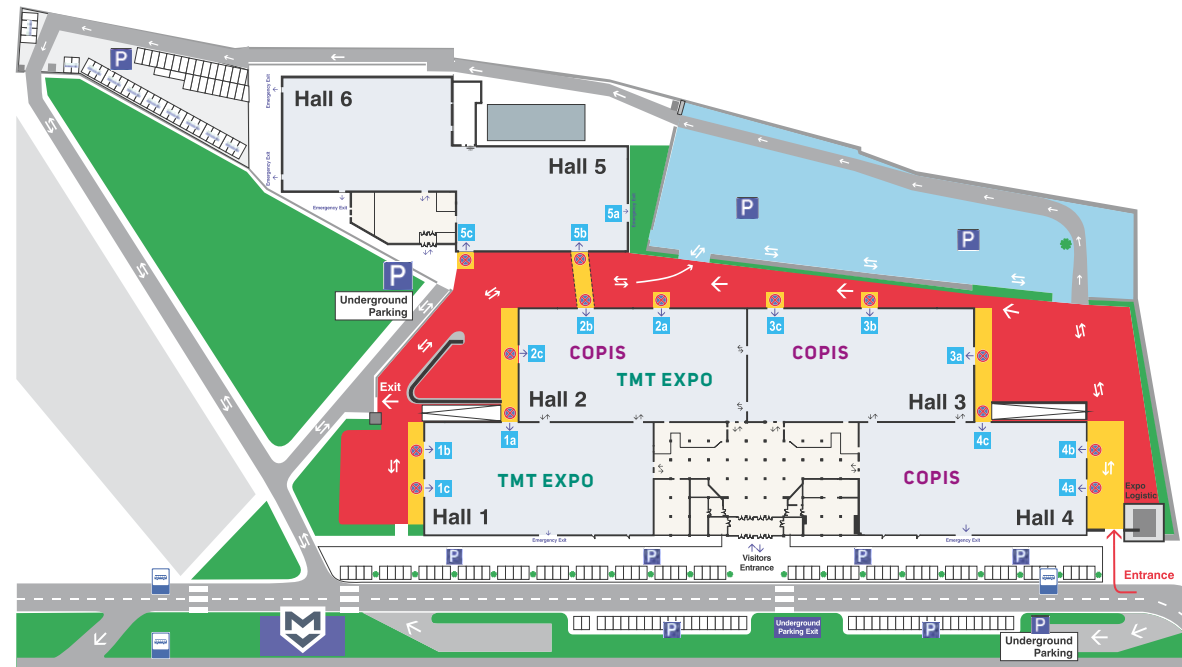

Taking exhibits out before 5.30 pm on 27th of September is not permitted.
